

CHAIN OF CUSTODY POLICY

H. Charlesworth & Co. Ltd. trading as Charlesworth Press and Hammonds (the company) recognises that business leadership carries a responsibility to the environment and the world's forests. The company is committed to and fully supports the responsible forest management practices that both protect biodiversity and eco-system integrity and result in long-term social and economic benefits to human communities.

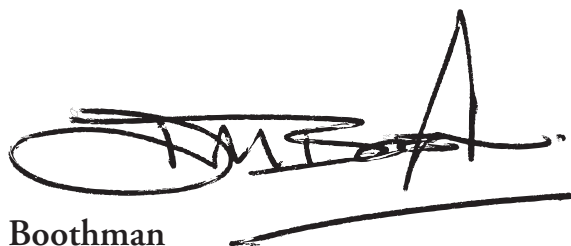

It is the policy of the company to, wherever possible, purchase paper products that have been produced from forests independently certified and well managed, with the objective of having as much of the company paper and board products FSC® certified as possible, giving current market conditions.

As a company certified by the FSC, we can offer FSC 100%, FSC Mix and FSC Recycled paper and board (see Product Group Schedule), thus giving our clients the freedom to use an environmentally friendly substrate of their choice.

The person responsible for the co-ordination of FSC at the company is the Operations Director.

It is the policy of this company not to be directly or indirectly involved in the following activities:

- Illegal logging or the trade in illegal wood or forest products;
- Violation of traditional and human rights in forestry operations;
- Destruction of high conservation values in forestry operations;
- Significant conversion of forests to plantations or non-forest use;
- Introduction of genetically modified organisms in forestry operations;
- Violation of any of the ILO Core Conventions, as defined in the ILC Declaration on Fundamental Principal and Rights at Work, 1998.
